DOC. MICRO. SER.

1. On 4 September 1956 ☐ informed ☐ that he received a "confidential" letter from Hasan DOSTI that morning.
2. DOSTI writes that he spent the last four months in discussions and negotiations with all the "friends" trying to arrive at a solution to the "crisis" but without success. He claims that he spoke with the "anonymous", "who is changed daily as the pieces in a chess game, but they don't know what they have or what they want to do. I spoke with logic, history and philosophy but I have been told that the re-organized Committee was a mistake. I replied that the re-organized Committee had been set up according to a joint decision of the Anglo-Americans taken in London in November 1953. They retorted that the activity of the re-organized Committee had come to an end because it was comprised of conservative elements (boys, et cetera). The anonymous told me that Said (your name) KRYEZIU, Muharrem BAJRAKTARI and Ali KLISSURA will not be included in a new Committee."
